Monday

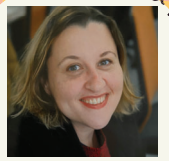

Mr. Jay Crystall

Hi Everybody! I'm Jay Crystall from New York. I've been living in Japan for 13 years. In 2019 I published "Lovesic in Kyoto," a book about a foreigner's experiences and views on modern day Japan. I'm also a singer/songwriter/producer with many original songs on YouTube and perform throughout Japan. I own an English school in Kyoto and spend my days and nights building bridges of culture and friendship. I'll probably stay here in Kyoto forever! Let's talk!!!

Tuesday

Hello! I'm Brandy Nakamura. I'm from West Virginia in the United States. I moved to Kyotanabe City, Japan with my husband and children in 2010, and I have been teaching conversational English since I arrived here. My students have ranged in age from 3 years old to 77 years old. English can be enjoyable for all ages! I love helping students learn how to express themselves effectively and develop a deeper level of communication. I think language is best learned while having fun!

Wednesday

Mr.Matthew Cremore

Hi! My name is Matthew, and I'm from Liverpool in the UK. I have several years of experience teaching at schools, universities, language schools, and companies across Kansai. I've also worked in study abroad support, helping with things like translations and visa applications. Outside of work, I enjoy playing guitar, writing, and learning languages. I'm happy to help with whatever you need - no pressure, and no stress about making mistakes. See you soon!

Thursday

I'm Rachel, nice to meet you! I've been teaching English as a second language as a volunteer and professionally for over ten years. My Masters degree is in International Relations with dual foci in conflict negotiations and U.S. Foreign Policy, and my Bachelor's degree was in Political Science and Art. I like to learn languages. I have so many hobbies! I like to read and listen to music and follow makeup tutorials online. I love animals and have two pets. I'd love to talk with you about your interests or help you with your studies!

Ms. Kari Miyano

Hello Everyone, I'm Kari Miyano from America.
I enjoy helping students of all levels improve their English. I will give you personal help with speaking, writing, listening and/or reading. You can work on the area you want. If you come, your confidence in English will grow and we'll enjoy learning together.
